VISTA DEL MAR CHILD AND FAMILY SERVICES COMMUNITY TREATMENT FACILITY PROGRAM CONTRACT COMPLIANCE MONITORING REVIEW

In accordance with your Board's April 14, 2009 motion, we are informing your Board of the results of a group home compliance review.

Vista Del Mar Child and Family Services Community Treatment Facility (Vista Del Mar CTF) is located in the 2nd Supervisorial District and provides services to Los Angeles County Department of Children and Family Services' (DCFS) foster youth and Probation youth. According to Vista Del Mar CTF's program statement, the agency's stated goal is "to bring a child's psychological and behavioral conditions to a level where he/she is ready for the next developmental step in a less restrictive environment." Vista Del Mar CTF is licensed to serve a capacity of 24 children, ages 13 through 18.

The Out-of-Home Care Management Division (OHCMD) conducted a review of Vista Del Mar CTF in August 2010 at which time the agency had one 24-bed site and eight placed DCFS children. All eight children were males. For the purpose of this review, seven placed children were interviewed and their case files were reviewed. The other child had been placed with the agency for less than 30 days; therefore his file was not reviewed, and he was not interviewed. For the sampled children, their overall average length of placement was 10 months and the average age was 15. Five staff files were reviewed for compliance with Title 22 regulations and contract requirements.

Six children were on psychotropic medication. We reviewed their case files to assess timeliness of psychotropic medication authorizations and to confirm that medication logs documented correct dosages were being administered as prescribed.

SCOPE OF REVIEW

The purpose of this review was to assess Vista Del Mar CTF's compliance with the contract and State regulations. The visit included a review of Vista Del Mar CTF's program statement, administrative internal policies and procedures, seven children's case files and a random sampling of personnel files. A visit was made to the facility to assess the quality of care and supervision provided to the children, and we conducted interviews with children to assess the care and services they were receiving.

A copy of this report has been sent to the Auditor-Controller (A-C) and Community Care Licensing (CCL).

SUMMARY

Vista Del Mar CTF was providing very good quality care to DCFS placed children, and the services were provided as outlined in the agency's program statement. The children interviewed stated that they wanted to continue residing at the placement and that the staff was genuinely concerned about them.

At the time of the review, the CTF was in full compliance with all nine sections of our Contract Compliance review.

NOTABLE FINDINGS

There were no compliance deficiencies noted during our review.

The detailed report of our findings is attached.
